

# WIN A SUSTAINABLE GARDEN DESIGN

PROUDLY SPONSORED BY PORT BOUVARD LIMITED

## Have your own garden designed by Josh Byrne

### Valued at \$3,000-\$4,000

Port Bouvard Limited is offering visitors to the **2009 GIDGEGANNUP SMALL FARM FIELD DAY** the opportunity to win a garden design consultation and Concept Plan from sustainable gardening specialist and popular media personality, Josh Byrne. An environmental scientist who's recognised as a national leader in sustainable and innovative landscape and garden design, appropriate technology and environmental communication, Josh can design your garden to be an individual, beautiful, sustainable and productive environment.

#### WHAT IS A CONCEPT PLAN DESIGN?

A Concept Plan is a landscape design service for clients who wish to personally manage their garden installation at their own pace. The process begins with a one hour on-site design consultation with Josh to explore possibilities and develop a shared vision for your garden. Following this initial consultation, a Concept Plan will be developed for your garden which includes sector and zone planning, layout of garden elements, water conservation strategies, soil preparation notes, plant species recommendations and irrigation hydrozoning. Recommended materials and contact details for trades and suppliers will also be provided to assist with planning your garden installation.

The winner of the sustainable garden design will receive their final Concept Plan as two bound A3 colour copies,

plus an electronic copy in PDF format burnt to CD.

#### PRIZE TERMS & CONDITIONS

The sustainable garden design prize includes the on-site consultation with Josh and development of a Concept Plan for the winner's garden – it does not cover any costs that the winner may decide to incur with regards to construction labour, equipment and materials for translating the design into reality. The location of the on-site consultation needs to be within a 90 minute drive of central Fremantle (three hour return trip). The Concept Plan will only cover a maximum garden area of up to 1,000m<sup>2</sup>. Full terms and conditions are available in the **Port Bouvard Limited Sustainability Marquee**.

#### HOW CAN I ENTER?

Just fill in and submit the sustainable garden design prize Entry Form available in **Port Bouvard Limited's Sustainability Marquee**. The winner will be announced from the Bush Stage at 2pm and needs to claim their prize in person (otherwise another winner will be drawn).
