

## **HANSON CONSTRUCTION MATERIALS PTY LTD RED HILL QUARRY DEVELOPMENT PROPOSAL**

Public review period: Monday 23 June – Monday 18 August 2008

Hanson is proposing to continue to develop the Red Hill Quarry pit to the north and west of the current quarry pit, to increase the area available for hard rock extraction. Hanson also propose to extend the area of the existing stockpile/dispatch area, relocate and/or upgrade existing crushers and/or add new crushers to the existing processing plant.

A Public Environmental Review (PER) has been prepared by Hanson in accordance with Western Australian Government procedures and is released for public review. The PER describes the proposal, examines the likely environmental effects and the proposed environmental management procedures associated with the proposed development.

Hard copies of the PER may be purchased for \$10 (inc. postage & handling) or a CD version (free) may be obtained from:

Hanson Construction Materials Pty Ltd  
123 Burswood Rd, VICTORIA PARK WA 6100 P: 08 9311 8811
