

Gidgegannup Junior Football Update

Sunday 17th June 2007

Dry and windy conditions set the scene for a couple of challenging games at Gidge oval. The early game, under 10s, saw Gidge take on Mt Helena and a tough hard game prevailed. Both teams had plenty of the ball and from the cheers of the crowd it was obvious that it was a good game.

The second game, a local Gidge derby saw John White's "*We are GIDGE WHITE LOVE AND LIGHT*" take on Gary Beale's "*Gidge Blue*". The white team were hungry for the ball for the full 4 quarters and used the ball with great skill. A topsy turvey game was the result, but in the end it looked as though the Love and Lights ran out winners.

Great efforts from both teams, but special mention must go to the tall Jo and the elusive Luke for always being where the ball was. A good lesson for the Blue players to actually go for the ball !!! Well done Whites.

Gidge Blue will be under pressure in the next few weeks with 4 of their players on school camp. Now will be a good time for some of the players to lift the rating and step up..
