Dear Community Leader / Business Operator,

Just a note to acquaint you with the fact that we have a voluntary community big-band operating across the Perth and Swan Hills areas to provide music for community events and functions, both indoors and outdoors.

We play for a negotiated donation. There are 16-18 players, and we play big-band jazz styles from Benny Goodman and Glenn Millar through to Count Basie, Sinatra, Bubl  and Harry Connick Jr. We have a pleasant-listening repertoire and presentation that has proved successful when we have performed for a range of community functions, such as:

- o Mundaring Shire Council at their *Trek the Trail* and art exhibitions;
- o City of Swan Volunteers Picnic Day;
- o Toodyay Music Festival and previous Toodyay Jazz Festivals for 4 years;
- o Chidlows Show
- o Northam Christmas Street Party for 3 years;
- o 2nd and 3rd Mundaring Truffle Festival;
- o private functions.

Please keep us in mind when you consider musical requirements for your next event.

We are an incorporated body with Public Liability Insurance. I can assure you that Perth Hills Jazz Orchestra is a community, not-for-profit band whose members are dedicated to providing attractive big-band music for Hills venues and organisations like yours at very reasonable negotiated-cost.

Yours sincerely

Murray Swain
