

GIDGEGANNUP PROGRESS ASSOCIATION INC. – June 2006

Next Meeting Dates: 19th June, 17th July (AGM), 21st August, 18th September, 7.30 pm at the Agricultural Society Hall.

Rural Numbering: The City have now decided not to have numbers put on star pickets outside properties. Property owners will be informed that numbers have to be displayed prominently in front of properties. Those properties already renumbered about 10 years ago will be unchanged, but properties developed since that time without the appropriate numbering will be renumbered as to how far they are from a junction. Odd numbers on left and even on right. Numbers will be mailed out.

Strategy and Action Plan for Sustainable Rural Produce and Activities: This will be advertised for public comment and copies will be available from the Newsagents and Forge Ahead, the Gallery. This document will guide development for the next five years.

Banners and Website Address Tourist Board: New Banners have been ordered and will be put at the Tourist Board in the new financial year. Also the website address will be put up for public reference.

Distillery – Berry Road: An application has been received by the City for a Distillery in Berry Road, this was not advertised for public comment but submissions have been made on it.

Policies Ancillary Accommodation and Grouped Dwellings: These policies have been adopted by Council. This will reduce the amount of floor space for Ancillary Accommodation to bring it in line with urban areas. The GPA did make representations that the area should not be changed. We are told that there is scope in the Policy for application to be made for a larger ground space if need can be demonstrated.
