

March 2019

## 73<sup>rd</sup> ANNUAL SHOW – 26th OCTOBER 2019 GROUNDSPACE

### **Invitation to 2019 Gidgegannup Show**

Dear Stallholder;

Thank you for supporting the Gidgegannup Agricultural Show in the past.

We appreciate the amount of time and effort our stallholders put into making the day a success and would like to reward your efforts by offering you the first opportunity to select your preferred location for the 2019 show and, for the 'early birds', a discount on the site rates.

The current way of booking sites, where the layout of the sites is predefined and you, as a vendor, can select your preferred site(s). The lay out is very similar to last year but a few sites have been renumbered so please take the time to study the proposed map attached to this email. Please note that the subtleties of the map may change as we get closer to the day, and you may not be allocated your preferred site(s), but our intention is to be as helpful and considerate as we can be to all.

The Application Forms are the same as last year, also attached is a brief "how-to" guide, along with the "Notes and Conditions for Vendors" and the current Schedule of Rates, these are intended to help you through the application process.

If an application is made and paid for before 1<sup>st</sup> August a 10% Early Bird Discount will apply. All other applications must be made by 23<sup>rd</sup> September and completed by 1<sup>st</sup> October so that the final communications about parking, passes etc. can be sent out. SITES for FOOD are very limited, so if you have been to our show before and wish to book a space, IMMEDIATE APPLICATION is now essential.

We look forward to seeing you at the 2019 Gidgegannup Agricultural Show in October!

Replies by the internet to - [groundspace@gidgeagsociety.com.au](mailto:groundspace@gidgeagsociety.com.au) - on copies of Application Forms etc. and extra Maps of the Showground can be located on the internet at (gidge show 2019) or If you have any questions or queries please don't hesitate to contact me on 0413 804 992.

Peter Baudinette
