

TENNIS PLAYERS – Come and try

Despite the fact that it is supposed to be winter, Gidge Tennis Club players have been playing each week at the Showgrounds courts on Saturdays from 2.00pm, with rain affecting play only on one week so far.

Social Tennis – Currently on the Saturday afternoons, we have players of varying skill levels, aged from teenagers to seniors, matched up with players of similar ability to have enjoyable games. Of course we have an afternoon tea and partake in a few refreshments after we have earned a break.

New Members - If you are interested in starting tennis, or have played in the past, why not wander down to check out the fun times we have and give it a go. Loan racquets are available, free of charge to starters, and you can join in the games at nominal cost.

Summer Night Tennis - It is intended to have night tennis groups in summer, and those people interested in playing then, will assist in planning suitable nights by putting their name down now.

Keep Fit - Tennis is a great way to keep fit and meet new friends in a social atmosphere. We can arrange your games at the level of competition that best suits you.

We would welcome your interest, so why not check it out. For more details, please contact **Terry Wilkinson on 9574 6885**.

Junior Coaching – Junior numbers have dropped off due to holidays and dodgy weather. Although we do have backup plans for these suspect days, our coach needs confirmation of numbers interested in term 3 and/or term 4. He also needs support from parents to run these fun coach assistant programs.

Please contact **John White on 0408 267130** by 11 August to register your interest.
